Boo's Views

A Prayer for Advent by Margaret Ann Human

Into the bleakest winters of our souls, Lord, you are tiptoeing on tiny infant feet to find us, hold our hands. May we drop whatever it is we are so busy about these days to accept this gesture so small that it may get overlooked in our frantic search for something massive and overwhelming. Remind us that it is not you who demands large, lavish celebrations and enormous strobe-lit displays of faith. Rather, you ask that we have the faith of a mustard seed and the willingness to let a small hand take ours. We are ready. Amen.

The Parent Bulletin

The eParent Bulletin will no longer be emailed every Wednesday. As most of you know, we have an app for our school. All important dates, news, info. and Boo's views will be available on the app. To stay up to date and informed download the app. We encourage grandparents, babysitters and anyone who needs information about school events to download the new app.
