

AP French

Course number: 0380

- 1- Register to <https://www.francaisavec pierre.com/> (it is free) and complete the 6 lessons (choose INTERMEDIATE level). Keep track of your progress using the sheet provided (see attached).

2-

It is essential to multiply the occasions to use the language. Change the language settings to French on your phone or computer, make sure you listen to French music daily, learn the lyrics to a couple of songs by heart and read news articles, novels or books in French. Keep track of your work on the sheet provided (see attached).

To practice **listening**: use different online resources:

- Specialized sites for listening to French (see below)
- Authentic radio stations <https://www.radio.fr/country/france>
- Authentic videos of your choice.

Sites to consider:

<https://www.lepointdufle.net/>

<https://www.fluentu.com/french/> (try the 14 days free trial)

<https://www.babbel.com/>

<https://fr.duolingo.com/>

and so many others- do your own research and find a site that you will enjoy working with.

Grammar:

Review conjugations of the following verbs for the tenses:

Present, passé-composé, imparfait, future simple, conditional present and subjunctive present and present participle, infinitive past; VANDERTRAMPS

Verbs :

Avoir, être, faire, aller, aimer prendre, finir, dire, acheter, préférer, venir, vouloir, pouvoir, plaie, manquer, dormir, sortir, partir, essayer savoir and connaître, essayer, offrir, se lever and courir
