The online bookstore is **OPEN** for the 2019-2020 school year.

All students must purchase a digital text if available. We will also provide an option to purchase a print text in addition to the digital text which is optional. Workbooks and some texts are only available in print and are bought through the school store. **Digital texts will not be shipped home.**

All digital textbooks **MUST** be purchased online through the ECHS Bookstore using the link above. Please order all books by August 1st. Books can be ordered from any device (computer, tablet, etc.) All logins, passwords and/or access cards for digital texts will be distributed to students during the first full day of school. Digital texts purchased for summer courses will be given access within 24 hrs. of purchase through email.

New students: Please wait until the first week of school to purchase anything on iTunes. Students will be issued an ECHS email address and given instructions on how to check their email and the portal at the end of August. Instructions will be sent through email. Please **DO NOT** create an account on your own.

Please use the video below as a “How to” to order books. Ms. Burby will also be available on **Wednesday, July 31st** from 8am-12pm to help families with ordering books. Please bring a student course sheet to make ordering easier.
