

## PARKING POLICY

The FGR school staff and administration have worked diligently to improve the parking situation and do their best to provide parking to all who apply and qualify. However, this does not guarantee a space for each student. We will have parking available in our school lot only. We will no longer have parking at Christ the King Catholic Church. We strongly encourage carpooling.

Students who are issued a parking pass are expected to observe all parking regulations and traffic rules of Ann Arbor Township, the State of Michigan, and FGR. Students who fail to demonstrate caution and care risk having their parking lot privileges revoked. Parking is awarded via an application system and a fee for the parking pass. The application can be found on your School-Admin enrollment checklist.

By the use of our parking lot, the driver consents to search of the entire vehicle and its contents with reasonable cause by school officials or police officers. Students may park only in the areas assigned to them, and are not to let others use their parking pass. Students who park in the parking lot without a pass, risk their car being towed. Students who park in visitor or faculty parking risk losing their parking privileges. Students are not to loiter in the parking lot before, during or after school, nor at any school related and/or sporting event. This means that a student must leave their car and come into the building as soon as they arrive on campus.

Passes will be awarded for only 235 parking spots and will be based upon the following ranked criteria:

1. Seniors applying before specified date in June and who drive 3 or more days per week.
2. Juniors applying before specified date in June and who drive 3 or more days per week.
3. Seniors and juniors applying after specified date in June and who drive 3 or more days per week.
4. Sophomore students with a license and car at time of application and who drive 3 or more days a week.

Please note: Applications will not be accepted for students who do not have a valid driver's license at the time of application or whose tuition accounts are in arrears. Only one pass per family will be issued. Under no circumstances will a pass be awarded to siblings.

To apply for a parking pass, students must submit the following:

- Student Parking Application – this can be found in your School-Admin enrollment checklist.
- Student's Valid Driver's License Number – license must be shown at time of picking up parking pass.
- Payment – Fee of \$50 will be invoiced through your FACTS account. Fee must be paid prior to picking up pass.

Replacement Tags- If you lose your tag you can get a replacement tag for \$25 in the main office. You cannot park in the lot without speaking with the Dean of Students until a replacement tag has been purchased.

Once the 235 available parking spots are assigned, no further applications will be accepted. Those wishing to be placed on a waiting list for possible spots that may become available through the course of the school year must submit all documents as outlined above. You will not be charged unless a pass is issued.
