March 2019

Dear Parents/Guardians:

We would like to welcome both you and your child to the Pierce Middle School community. More than ten years ago the Pierce Administration implemented the “Welcome to Middle School Program” to alleviate the anxiety (fear of the unknown) of the upcoming grade five students. Middle school is quite different from the elementary setting, and the transition can sometimes be intimidating (but shouldn’t be!). Our program allows students to experience “a day in the life of a grade six student.” Students will familiarize themselves with the building, administrators, agenda books, lockers and Pierce faculty - as our teachers assume the role of Camp Counselors. Your child’s camp experience will be fun, enriching, and academically motivating! They will meet new friends, begin to build relationships with Pierce faculty, and find comfort as the “unknown” becomes “the known”. I am urging all parents/guardians to enroll your current grade five student in our camp. If you have any questions, please do not hesitate to contact me.

Sincerely,

Karen L. Spaulding, Ed. D.  
Principal  
Pierce Middle School
