

It's time to get your mind and habits ready to be a scholar at Saint Francis International School!

Moms & Dads of **Rising 2nd Grade Students** at SFIS,

There are lots of good ways to use time during the summer to make sure that our kids both have needed fun and relaxation and keep their minds, hearts, and bodies learning and growing while school is on vacation.

Our teachers have put together a great "buffet" of various activities that you and your child can use to work on their academic and other skills in fun ways throughout this summer.

You *don't* have to do every item on the "buffet" on the back side of this sheet, but you can if you want. *Here are the minimums of what we'd like to have your child do:*

- 1. Read or be read to for at least 20 minutes every day - be sure to keep track of the number of pages read. We know your child can read 1,000 pages!**
- 2. Log on to iXL online and practice math at least 2 or 3 times per week**
- 3. Do 20 of the suggested activities at least once by the first day of school**

Don't forget, if you need books, you can borrow them for free at your local public libraries in Prince George's and Montgomery Counties.

If you and your child want to do more learning this summer, here is what we encourage ...

- Have them read, read, read anything and everything from story books to newspapers to comic books to the labels on the back of a cereal boxes!
- Do tons of math practice on iXL
- Do as many of the suggested activities as you can and do them several times each
- Do a search online for learning activities you can do as a family
- Play card games, counting games, or memory games with your child
- Pick a up an activity book from a store that has grade level practice pages in reading, writing, math, or another subject

Going to 2nd Grade Buffet of Summer Learning Activities

Name: _____

Directions:

Please help your child do *at least* 20 of these activities, to earn a special recognition when school starts. Color in the boxes, as you do them.

***Do 20 MINUTES of READING TIME EVERY DAY
and keep track of the 1,000 page reading challenge***

(This can include the child reading independently and/or an adult reading to/with the child.)

Practice MATH on iXL 2 or 3 Times per Week

www.ixl.com/signin/sfismd

Draw a picture of something interesting you see this summer. Write three or more words about what you see.	Be able to count from 1-20 forward. 1,2,3 etc.	Be able to identify a penny, a nickel, a dime and a quarter.	Read a book and draw a picture of your favorite part in the story.	Say the "Our Father" together as a family.
Know your home phone number.	Find the hour hand on the clock.	Practice the "Act of Contrition" with your family.	Make a chart to keep track of the weather and temperature for a week	Help an adult write the grocery list
Visit the public library and get a library card.	Be able to tie shoes.	Read billboards and signs while driving in the car.	Be able to recite at least one parent's email address.	Be able to count from 10-1 backward. 10,9,8 etc.
Help in the kitchen with measuring and mixing ingredients.	Know the daytime phone number of one parent.	Go for a walk around your neighborhood with a family member.	Watch a movie with your family. Talk about the story.	Be able to recite your home address including zip code.
Look at the sky. Describe what you see.	Do something kind for someone else without being asked.	Visit a family member. Draw a picture and write a sentence about the visit.	Find the minute hand on the clock.	Be able to identify road signs by shape.
Collect something from a trip you took and be able to tell about it. (A shell, a post card, etc.).	Learn to do something new-like swim, ride a bike, jump rope, or anything that you haven't done before.	Practice counting coins of difference amounts.	Think of someone special and say a prayer for him or her.	Write a word for each letter of the alphabet by the end of the summer.

Prayers to Learn by Heart

An Act of Contrition

My God,
I am sorry for my sins with all my heart.
In choosing to do wrong
and failing to do good,
I have sinned against you
whom I should love above all things.
I firmly intend, with your help,
to do penance,
to sin no more,
and to avoid whatever leads me to sin.
Our Savior Jesus Christ
suffered and died for us.
In his name, my God, have mercy.

The Angelic Greeting to Mary (Ave Maria)

Hail Mary, full of grace,
the Lord is with you.
Blessed are you among women,
and blessed is the fruit of your womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death.
Amen.

Peace Prayer of St. Francis

Lord, make us an instruments of your peace:
where there is hatred, let us sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.

O divine Master,
grant that we may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved as to love.
For it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.
Amen.

1,000 Page Reading Challenge

Name: _____

Grade: _____

Parents, Teachers, and Students are invited to read 1,000 pages over the summer! Please read! You can read aloud together! You can read on your own! Hang this on your refrigerator at home and write the dates, book and number of pages you read! Use this sheet to keep track of your reading, follow the *EXAMPLE BELOW*. We will collect this page during the first week of school! Make extra copies of this page if you need them.

Date	Book Title	Pages Read	Total Pages (add up the pages as you go along)
<i>July 1</i>	<i>Horton Hears a Who</i>	<i>1 to 10</i>	<i>0 + 10 = 10</i>
<i>July 2</i>	<i>Horton Hears a Who</i>	<i>11 to 16</i>	<i>10 + 6 = 16</i>
