Dear Parents,

Do you need an easy way to earn service hours and help out your teachers at the same time? *For each \$10 value given to the Teachers' Wish List, parents will receive one service hour.* Items can be contributed new, gently used, or please purchase a requested gift card.

We are pleased to present your teachers' *Wish List* for this academic year. We have been blessed with a wonderful, hard-working faculty that is striving to make our learning environment better than ever. Please support them in this quest by providing as many of the items as you can from the list below.

Unfortunately, cash or check donations will not be accepted.

- **Please send gift cards to the Development office for verification of Service Hour credit.**
- The Development Office will present the gift card to your teacher on your behalf.
- **If you are purchasing an item from your teacher's wish list, remember to attach a picture of the receipt to your service hour submission.**

If you have any questions regarding this list or procedure, please contact the Development Office.
