September 5, 2017

Dear SJCS Families,

With the most recent developments of tropical weather systems in the Atlantic Ocean, we wanted to share the following information with you. These are our weather-related emergency reminders:

- The Diocese of Orlando, Office of Schools policy states that when Orange County Public Schools are closed due to inclement weather, St. James Cathedral School will also be closed.
- This announcement will also be posted on our school website at [www.stjcs.com](http://www.stjcs.com), our Parent Portal and email will be sent.
- The re-opening of St. James Cathedral School may NOT follow Orange County. After a full assessment of our property, Administration will determine when re-opening will occur. The opening will then be on our school website, Parent Portal and an email will be sent.

Please be advised that all of these methods are subject to the availability of power.

We will continue to keep you updated as we move through the week.

Blessings,  
Dawn Helwig, M. A., M. Ed  
Principal
